

Gear Loss Claim Procedure

<u>Filing a Claim</u> – If you have experienced gear loss or damage that you believe was caused by or was the result of Bluepoint Wind's activities, please follow the instructions below to submit a claim.

- As soon as safe to do so, report incident via cell phone or email: Fisheries Liaison Diana Glinos: 857-278-6552 or email: fisheries@bluepointwind.com
- 2) Within 30 days of the incident submit a complete, legible, executed Claim Form to the above- listed contacts.

<u>Claim Review</u> – All Claim Forms will be reviewed by the Bluepoint Wind Fisheries Liaisons and other relevant Bluepoint Wind staff. Within 30 days of receipt of a complete Claim Form, the Applicant will receive a written response which may include a request for additional information. If the claim is confirmed, payment will be arranged with the Applicant. If the claim is denied, a written explanation will be provided to the Applicant.

Gear interaction prevention methods should be followed by all parties. Bluepoint Wind reserves the right to deny a claim should an applicant file multiple claims for gear loss in the same area. Any payment in connection with a filed claim will be considered a full release. Bluepoint Wind reserves the right to request additional information to support the review of any claim.

Please note that BOEM is currently reviewing guidelines for compensation and mitigation of impacts on fisheries by offshore wind development. Once these guidelines are finalized, Bluepoint Wind intends to update the claims process.
